EXHIBITION GAMES – REQUEST FOR REFEREES

Requests for exhibition games will be considered from OTFC coaches for games being played on OTFC fields (including Louis Riel Dome).

Exceptions will be entertained for games being played at other venues such as Gloucester Dome (Hornets Nest), Ottawa University Field, Carleton University Field. Games played on fields belonging to other leagues should be arranged with that particular league

All requests should be addressed to the Club's Head Referee via e-mail using headreferee@ottawatfc.com at least two (2) weeks before the intended date. Requests should specify the age group and if competitive teams are involved, they should also identify whether the teams are Div1, Premier or Regional.

Premier and Regional Teams playing 11 aside normally require Assistant Referees. Therefore, the request should also specify if Assistant Referees are required.

Field arrangements are to be requested separately. These requests should be addressed to the OTFC Facilities Director via e-mail using facilities@ottawatfc.com.

Games will be subject to the same rules and sanctions of regular season games.

Payment for referees will be the responsibility of the Coaches and amounts will be in accordance to the published fees for the specific age groups and which are posted on the OTFC website under the Referee section of the OTFC website www.ottawatfc.com . Payment will be made directly to the officials by the coaches at the field and just prior to the game.

In the event that the field is not an Ottawa TFC designated home field, a travel allowance (normally \$10) may be added to the amount paid to the referee.

Note:

If you have made prior arrangements with a particular referee that is known to you, you should still advise the Head Referee via e-mail in order to verify that the particular individual has a valid and current license and is qualified for that particular age group.
